

## Lifewell Bible Reading Plan 2: the Prophets

Below is the reading plan for the next 8 weeks. Read or listen to the passages of scripture Monday through Friday. Use the weekend for any missed readings or to review what you have read. Do not worry about catching up if you get far behind. Each week, start fresh, regardless of where you left off the previous week. Before you read each day, ask God to illuminate His Word and help you apply it to your life.

There are certain questions you should try to think through each week:

*What was new or compelling to you?*

*What questions do you have?*

*Was there anything that bothered you?*

*What did you learn about loving God?*

*What did you learn about loving others?*

**NOTE: Some readings are NOT in the order they appear in the Bible.**
